### The Bob Rumball Canadian Centre of Excellence for the Deaf

**Where: 7801 No. 5 Sideroad, Milton, Ontario**

## FALL 2017 REGISTRATION INFORMATION

American Sign Language (ASL) is native language of Deaf Individuals in North America. The Bob Rumball Canadian Centre of Excellence for the Deaf offer classes in ASL, as a second language. Our courses are non-accredited, interest classes. However, to progress among the levels, students must receive Satisfactory Standing. We do not give out official Income Tax receipts but you can always contact Revenue Canada for further information.

**CURRICULUM:** BRCCED uses a curriculum called “Signing Naturally”. The language you learn is the language used in everyday conversation. By learning language functions in interactive contexts, you also develop conversational skills in confirming and correcting information, expressing degrees of uncertainty, asking for clarification and repetition. Our classes operate in ASL immersion style no-voice environment. This means that you will be asked to keep your voice turned off during your class.

**Fingerspelling Level 1, 2 & 3 -** Deaf Individuals often fingerspell words and names which have no signs. Improve your receptive and expressive fingerspelling skills in these courses.

**Classifiers -** Improve your ability to show movement, location and appearance when signing. Classifiers are handy, simple, wonderful and fun linguistic tools!!

**MINIMUM AGE:** Students from **GRADE NINE** and up can register for our sign language course.
