WHAT IS ASL?

American Sign Language (ASL) is the native language of Deaf individuals in North America. The Bob Rumball Canadian Centre of Excellence offers classes for those who want to learn ASL as a second language.

WHAT CURRICULUM IS USED?

BRCCED uses a curriculum called "Signing Naturally." With its functional notional approach, you will be learning the language used in everyday conversation. By learning language functions in interactive contexts, you also develop conversational skills in:

- Confirming and correcting information;
- Expressing degrees of uncertainty;
- Asking for clarification; and
- Repetition

OUR PROGRAMS + FACILITIES

Our programs and courses are non-accredited. Students who pass the dialogue test at the end of each course. Upon successful completion of each Signing Naturally Curriculum Level One (ASL 1A to ASL 1D) & Level Three (ASL 3A to ASL 3F) will receive a certificate of Achievement. You will receive a report card by e-mail.

To foster ASL skills development and an appreciation of the Deaf community, our classes and programs operate in an ASL-immersion, “no voice” environment. This means that you will be asked to keep your voice turned off during your classes. 0% voice. 100% ASL.

In our ASL Course Calendar, you will notice that there are no dates/times offered for ASL Level 2. This is because BRCCED no longer offers Signing Naturally Level 2.

Other Deaf organizations are making the same changes and only offering Signing Naturally Level 1 and Level 3. They are no longer teaching Level 2. You are not losing any teaching of ASL with these revisions. Signing Naturally is simply condensing the curriculum. If you have completed Level 1D, you are prepared to take Level 3A.

OUR LOCATION

All classes are held at BRCCED (7801 5 Side Road, Milton).

Our facilities are wheelchair accessible.
