Have you missed taking your 0-6 year-old child to Drop-in? Do you want to build those connections again? Rumball EarlyON will be hosting weekly Virtual Drop-ins. Every Thursday 11:00am-11:30am. Here you can chat with other parents, ask questions you might have about: development, nutrition and milestones, build new connections for your child, and participate in story and song time.

Email: Sheila Waller-Kellen skellen@bobrumball.org for the link to the google meet.
