RE: **Rapid Antigen Testing (RAT) Guidance**

ASL Version with Instruction Video & Reporting Form – go to: <http://covid.bobrumball.org>

Ministry of Health/Long Term Care have released updated guidance this week regarding Rapid Antigen Testing (RAT) as part of mandatory screening.

PROCEDURES FOR ALL BRCCED STAFF:

1. Whether or not you are scheduled to work, **all staff** must complete RAT **every Monday and Friday** at home.
2. Staff **must** report RAT results using the confidential **RAT Result reporting page** available at <http://covid.bobrumball.org>. If you are unsure about your RAT result, please upload a photo of the test result for it to be reviewed.
3. Staff can access the RAT Result reporting page using **QR code (see below)**
4. Staff will receive RAT kits from their manager.
5. There is an instruction video on how to conduct the RAT available at <http://covid.bobrumball.org>, which includes ASL interpretation.
6. Staff **MUST** read the instructions included with the RAT kit as different brands have slightly different procedures.
7. If your RAT test is negative and you have **NO** symptoms, come to work as normal and complete the mandatory screening before entering any BRCCED site.
8. If you have symptoms **OR** test positive when doing the RAT at home, you **MUST**:
 - Report the positive result to your manager immediately
 - Complete the RAT result reporting page at <http://covid.bobrumball.org>
 - Book a PCR test
 - You must stay home and isolate while you await further instructions
9. FSS/WM&A/Bartimaeus staff will also be required to complete the RAT at home following the same procedures outlined above.
10. If you have any questions or concerns about the RAT, please contact your manager or email RAT@bobrumball.org.
